CHAIRS

What Would You Think of Buying Dining
Chairs at Wholesale Price?

This is Just What You Can Do at Our Store
For the Remainder of This Week.

The reason is this: Early in the Fall we had a large car (sixty-eight dozen) of these Chairs come in. In our rush of business this season we have not had the time to get them out and offer them for sale. We find now that, with the arrival of our Holiday Goods, we are not going to have near storage room enough, notwithstanding our greatly increased storage facilities.

We offer Solid Oak, Cobble Seat Dining Chairs, brace arms, at 83c each.

Cane Seat Oak Dining Chairs, brace arms, at 99c each.

Another in Cane Seat, brace arms, oak, a very heavy and strong Chair, at \$1.29 each.

The last is a Cobble Seat Dinner Chair with a heavy carved back, fluted posts and spindles, a perfect beauty, at \$1.31 each.

These Chairs are all strong and built for service. They are not polished or finished down smooth, but have a common gloss or varnish finish.

Price is what talks in this offer, for you will find that you can save from 25 to 35 cents on each Chair. A dozen is the most we will sell to a customer, as the sale is not for furniture dealers.
